

Acknowledgments

The Body Image Coalition of Peel began this project in response to the pressing need for prevention, education, and treatment of eating disorders.

The project was funded by the **Ontario Ministry of Health - Health Promotion Grants Program** and **OSSTF District 10 Peel, Excellence in Education Committee**.

We would like to thank Peel Health, Peel Board of Education, and Dufferin-Peel Roman Catholic Separate School Board for staff, resources and materials used to complete the project. We gratefully acknowledge Dr. Gail McVey who volunteered her time and expertise to the project.

The Coalition expresses gratitude to Savie Singh for typing the manuscript and providing editorial suggestions. Our group would like to thank Andrea Seaver for her role in coordinating this project.

Finally, we want to recognize and thank each other. The work has been challenging but worthwhile. We hope that the project will benefit today's youth.

The contributors drew on their experience in working with adolescents in Peel for the development of the activities used in this manual.

Every effort has been made by the Coalition to acknowledge all sources of materials included in this manual. If you are aware of any errors or omissions, please let us know.

We welcome feedback on the manual. You can contact us through the Coalition website: <http://bodyimage.castle.on.ca>
